

Your Hand-held Table Ordering System

High Performance

Modern & Intuitive

No Monthly Contract

HX-Series Exclusive

One Off Licence Fee

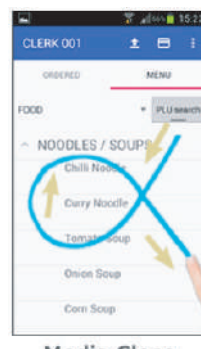

Enhance customer experience with faster and efficient ordering. Independent bar and kitchen printing allows drinks to be delivered while food orders are still being considered. Customers food orders are accurately delivered to your kitchen in a clean legible format, minimising waste and reducing the risk of staff error. All Products are billed to the table prior to being dispensed from either location meaning no accidental give-aways.
